REBUILDING SHATTERED LIVES

Through the careful study and application of God's Word, the Hoving Home provides an environment for restoration -- teaching women to make choices that lead to a thriving, healthy and productive life as they re-enter society after struggling with drug addiction, alcoholism, or prostitution.

On 6/25/23, the Hoving Home Choir will lead our 9:30 AM Worship service with their testimonials and songs of hope. A Freewill offering will be accepted.

Potluck luncheon to follow the service.
